New Business

Presentation by Nate Nusz, with Ulterius Technologies, a broadband WiFi company. They proposed that Benton to be a test site for their product.

Council is interested in their proposal and would like more information.

Discussion on the MKC building on the west side of Main St. by the railroad tracks. Charles was directed to obtain a copy of the lease and check with city attorney.

Charles presented information received from Chad Hollins on the Collection Bureau of Kansas. Also discussed options for collecting fees associated with collections.

Towanda Historical Museum is expanding to include surrounding areas which would include Benton. It was suggested that we have someone be a representative for Benton.

Department Reports

Charles – Discussed employee comp time and calls to service

Joyce - The 2019 budget preparation will begin next month.
